Extended
Services

Welcome to Our Extended Services Newsletter

Issue 7 - June 2026

Dear Families,

Both the Sunrise and Sunset team wanted to thank you all for your continued support, donations and excellent communications.

We appreciate the fact that you are juggling everything and family life is busy but hopefully rewarding. Having updates from families really helps us to put plans into place when we know of any changes or circumstances that can help us support the children. Please be reminded, we do need any updates for the day given to us via email before 2.00pm daily.

As the weather is hot at the moment, some of the children enjoy water play at Sunset, they are more than welcome to pack spare clothes to get changed into if they get wet.

Reminders

If you require any changes or cancellations to your child's Extended Services provision, for September, please be reminded of the six week term time notice period via the Google Form [here](#). Please check in with Mrs Senior regarding changes to see if we are able to accommodate any changes required.

Existing places automatically roll over to the next academic year. If you wish to cancel your child's place for the start of the next academic year, six weeks notice must be given in term time, before the end of the summer term.

Please be reminded, if your child is already on the current waiting list for Sunrise and Sunset sessions, they will continue to remain where they are on the waiting list unless you inform us otherwise. Should places become available we will let you know. We currently have spaces at both Sunrise and Sunset on a Friday.

Cost update for September

We recently sent out an update of our proposed session costs from September 2026, if you have missed that email, the new costs per session will be as follows.

- **Sunrise** £6.59
- **Sunset 4.30pm finish** £10.56
- **Sunset 5.30pm - 6.00pm finish** £19.83

What we've been up to

We have recently enjoyed the lovely weather and used our new water pistols and the hoses! As the hotter weather continues, please ensure your child has suncream and maybe a hat as we use the field during Sunset. We do encourage the children to play in the shaded areas, however ball games tend to end up on the all weather pitch and ball cage still.

The KS2 children have really got into their card games recently, and Mrs Smith has done a great job of teaching the children new card games to play with each other.

Friday fun with the hose!

Busy preparing our Hama Beads

Welcome to Sunset

Last week we welcomed Mrs Coyne to the team at Sunset, Mrs Coyne will be working in Year 2 Sunset on Wednesdays and with KS2 on Thursdays until 4.30pm. Please say hello if you see Mrs Coyne at dismissal time on both days.

We hope you enjoy the rest of the summer term, and if you have any further queries about Extended Services for September, please do not hesitate to get in touch.

Best wishes,

Mrs Senior
Extended Services Leader
