Dear Parent/Carer,

Free School Meal Holiday Voucher Update

In March, Surrey County Council (SCC) announced that they would not be issuing food vouchers for the holidays, after Easter 2026. Although this decision was reversed for the May half term, we have had confirmation that no further holiday food vouchers will be issued.

A range of support remains available for families over the summer and SCC have compiled details of some of these schemes including affordable days out, supermarket discount schemes and food banks here: [Support with food costs for families - Surrey County Council](#).

The UK Government recently announced the Great British Summer Savings scheme, which is expected to include free bus travel for children and targeted food tariff reductions. More information can be found at [Cost of living boost with free bus travel for children and targeted food tariff cuts - GOV.UK](#). This initiative will help families and children travel for less this summer. SCC are working with bus operators and will provide more updates soon. Until then, remember young people aged 20 and under can also apply for a LINK card to get 50% off adult bus fares in Surrey: [Apply for a Surrey LINK bus card - Surrey County Council](#).

I appreciate this might be disappointing news, but please feel free to reach out to a member of the Stamford Green staffing team who will try to support you.

Yours sincerely,

Mrs Kathryn Dray
