

Stamford Green

Primary School and Nursery

For your information:

PTA AGM

The PTA AGM is this Wednesday evening from 7.30pm at the school. As we are updating the constitution we need at least 30 people to attend. Some staff will be there to support with the numbers but we also need as many parents/carers attending as possible. So please do come along if you can, and perhaps bring a school mum/dad friend with you.

Rest assured we won't be trying to sign parents/carers up to new roles, (unless they'd like) as we already have people who have volunteered for the committee roles.

Drinks and snacks will be provided. 🍷🍰

Thank you so much in advance.

Class Open Times

Please see your child's Class Open Times below. Please attend only one option.

Internal Clubs

Please check Arbor to see if your child has a space in the clubs, as these have now been allocated.

Coming up soon:

September

Reminders:

Generations Coffee Morning

Grandparents and retired neighbours are welcome to join our School Councillors for tea, coffee, biscuits and a chat.

Come along and say hello!

Second Hand Uniform Sale

The next sales will be held on:

Thursday 24 September

8.35am – 9.00am.

All items are priced at £1 each.

There is currently lots of stock in a range of sizes.

Open Morning for prospective families

Our next Open Morning is on Wednesday 23 September. If you or someone you know has a child starting Reception in 2027, you can find bookings for our Open Mornings [here](#).

Could you help us inspire a love of reading?

At Stamford Green, we are looking for parents and carers who can spare a little time each week to support children with reading. Sharing stories and listening to children read can make a real difference to their confidence and enjoyment of books.

If you'd like to find out more, join us for a **Coffee Morning on Wednesday 23 September, 8.45am – 9.45am**. We'll explain how you can get involved and support our young readers. Come along for a coffee and discover how you could help a child discover the magic of reading.

Year 1 Weekly Information w/b 21.9.26

Bring a cuddly toy to school

On Tuesday 29.9.26, Year 1 are allowed to bring a cuddly toy to school as part of our Thrive Experiences as a celebration of the end of their first month in Year 1.

Please ensure that toys sent in are named and not too precious.

Numbots

If you are having trouble using Numbots, please remember to go through 'My Login' to access it. If you are still having issues, please go back to the home page and try again as it sometimes defaults to its original setting.

PE

Year 1 PE day is every Monday. Please ensure that PE kits are in school and that earrings have been removed if your child is unable to remove them.

Thank you.

Author Visit

On Wednesday 30 September, Zehra Hicks, an author and illustrator will visit the school to talk to the children in Reception and KS1 about her books. Zehra is an internationally renowned author, and we are delighted to have secured a visit by her! She will be talking to the children to provide inspiration for their own writing and also enthusing them about the joy of reading.

Help your child to grow their sense of [self-efficacy](#)

As children move from the Early Years Foundation Stage to Key Stage 1, they are reaching the age where they are more able to clearly communicate about things that have happened in school during the day. You'll remember that in Reception the school office call home to update parents/carers whenever any first aid treatment is given, be it something minor like a plaster on a graze or something more significant.

For children from Year 1 to Year 6, a telephone call is made if there has been a significant injury, but for smaller bumps and scrapes, children receive care at the first aid point on the playground (if it's playtime) and they will let you know what happened themselves when they come home. You can see more details in our [First Aid Policy](#) on our website.

Helping children to calmly process minor tumbles and scrapes builds their long-term emotional resilience. You can learn more about how to support this [here](#).

Talk through Stories		
		
1S	1MV	1M

In maths this week, we will start by looking at counting backwards within 10. Children can find counting backwards tricky. The use of songs and rhymes can be particularly useful to help develop this skill and can be easily practised at home. Being able to count backwards will help children when they begin to learn about subtraction, where one method that they may use is counting back. We will then move on to compare numbers of objects ensuring that children have a clear understanding of new vocabulary such as “fewer”, “more” and “same”.

During Exploration Time we are thinking about our balance and coordination. We will be remembering how to use a paintbrush effectively and creating pinecone art.

In DT, we will be looking at how to use a pair of scissors effectively to create a mosaic. We will be making sure we hold the scissors in our writing hand and point them forwards, away from our body. We will be using our helping hand to move the paper that we are cutting.

In geography we will be learning about physical features of the landscape. These are naturally occurring parts of the earth that is created by nature, rather than by humans. At home you might like to talk about times when you have seen rivers, forests, mountains or seas together.

In science, we will be discovering what animals do in autumn. We will be discussing how some animals hibernate and others migrate.

In RE, we are starting to think about why do Christians call God ‘creator’? We will begin by looking at the Bible and thinking about why it is special to Christians.

In PSHE, we will be starting our first Jigsaw puzzle piece – ‘Being me in my world’. This week we will be thinking about who and what makes us feel safe and special at school. We will also talk about who makes us feel special and safe at home.

Have a lovely week,

Mrs Smith, Mr Adams, Miss Marcazzo, Mrs Vidal, Mrs Blackler and Mrs Miller
Y1 Class Teachers
