

# Stamford Green

## Primary School and Nursery

Dear Parents/Carers,

### Club Room Weekly Information – w/b 21.7.26

#### SEND Coffee morning

Wednesday 30 September  
8.55am – 9.55am we will be hosting a SEND Coffee morning. The focus will be on building and maintaining friendships for children with neurodiversity.

#### Half-Way

We are half-way through the first half-term of the academic year, and all the pupils have made us so proud of the achievements that they are already making!

#### Highlights

There have been lots of wonderful moments this week.  
  
A standout moment was when one of our KS1 pupils read 'Please Mr Panda' flawlessly.

Well done!

#### Weekly Value

Last week's value was respect. The children demonstrated this well throughout the week and learnt about how they can be respectful of their environments and the people around them. This week, we will be focusing on determination. As we have now settled in, the pupils are already showing amazing determination, and we will complete some more learning on how they can keep on being determined.

#### Zones of Regulation

In the Club Room last week, we focused on the blue zone and completed some learning on what we understand the blue zone represents. This week, we will be focusing on the red zone. This means we will be looking at what could cause us to become upset, angry or frustrated, and how we support ourselves in understanding our emotions and what we can do to help.

#### Learning

Our KS1 pupils will be completing some work based upon their reading, both of individual sounds and blended sounds. These will be a range of practical activities that the pupils will enjoy getting involved in.

For our KS2 pupils, they will be continuing to learn about a non-chronological report as they begin forming their own. In maths they will be using their amazing timestables skills to support with learning about common multiples and factors!

Have a lovely week!

Mrs Smith, Mr Adams and Mrs Thomas
