

Stamford Green

Primary School and Nursery

Dear Parents/Carers,

Club Room Weekly Information – w/b 28.09.26

SEND Coffee Morning

A reminder that the coffee morning for families whose children have a Special Educational Need or Disability (SEND), will take place on Wednesday 30 September, 8:55am – 9:55am.
Please come to the South Gate.

Class Open Time

It was so lovely seeing parents come and visit the Club Room during the Class Open Time sessions. Thank you very much for attending and we look forward to the next one.

Highlights

Making Christmas cards has been fun for the children.

Seeing them harness their creativity to produce beautiful artwork has been wonderful, and we can't wait to share it with you.

Weekly Value

Last week's value was determination. We have had lots of conversations regarding what it means to be determined, and the children have given lots of different examples of when they have shown determination. This week, we will be focusing on honesty. We will be looking at what being honest means, why it is important as well as making sure that we know how to encourage our friends and people around us to be honest.

Zones of Regulation

In the Club Room this week, we will be having a focus on the yellow zone. An important part of this is to make sure that the children understand what it means to be feeling in the yellow zone, and how it can be tricky to decide when you are in the yellow zone.

Learning

For our KS1 children, they will be completing work on their writing skills, developing their fine motor control and their handwriting practise with some tracing.

For our KS2 children, they will be completing some very interesting foundation subject topics such as learning about the circulatory system in science, learning about the life of Wernher Von Braun in history, and producing some amazing art, with the focus of optical illusions. Our Year 6 pupils will also be finding out who their reception buddy is.

Have a lovely week.

Mrs Smith, Mr Adams and Mrs Thomas
