

Stamford Green PTA presents: Fireworks 2026 Friday 6th November

Gates open at 5.00pm. Display starts 6.30pm.

Fireworks Night is back - an evening of fun and excitement for all. We're looking forward to seeing you there!

Tickets will go on sale from Monday 12 October at 10.00am via the [PTA Events](#) website. Ticket sales end on Monday 2 November at midday.

Tickets are limited and sold on a first-come, first-served basis. They will not be on sale at the event and must be purchased in advance. Tickets are priced at £7, and under-2s go free.

Tickets will be emailed to you or can be downloaded on PTA Events > Account > Orders. On the night, please print out your 'tickets' or have them available to view on your phone. All tickets will be checked at the gate – no ticket, no entry.

Pre-order Food

In order to shorten queues on the night, we will be taking pre-orders for the BBQ on PTA Events. We urge everyone to pre-order their food as we will only have limited items available for purchase on the night.

Food tokens will be sent home in your child's book bag prior to the event, so when pre-ordering food please only use one child's name for all of your items.

Volunteering

Our PTA events are only possible with your support. There are various ways in which you can lend a hand, including manning the bars, selling glow toys and marshalling during the event. If you can't help during the event, assistance is always needed with setting up on Friday afternoon and a final clear-up of the field on Saturday morning. Immediately after the event, if you are able to spare 10 minutes to help clear up, please see Mrs Duce near the BBQ as your help will be appreciated!

For those helping with setting up, space may be available for your child in Sunset. Please email es@stamford-green.surrey.sch.uk for more information.

If you can help with this event, please sign up for your slot via the PTA Events website <https://www.pta-events.co.uk/sgpta> > My Account > Volunteer

Safety and Wellbeing

First Aid will be available throughout the evening so please find a member of school staff if you need assistance. The playground will be lit before and after the display.

Children under 16 MUST be accompanied by an adult and will not be let onto the site alone.

The lost and found station is located beside the BBQ – please visit this area before the display so your children are familiar with where they should go if they get lost. A member of school staff will help them.

Due to licensing restrictions, you are not allowed to bring their own alcohol onto school premises. Smoking and vaping on school ground is also strictly forbidden.

For a more relaxed fireworks experience we suggest you enter via the West Gate and use the bar located there. There are always fewer people in this part of the school grounds making for a calmer experience.

We are very excited to welcome you and hope you have a fantastic evening!

Alison, Heike, James and Laura
