Stamford Green
Primary School and Nursery

Dear Parents/Carers,

Club Room Weekly Information – w/b 2.11.26

Welcome Back

We hope you had a lovely half-term.

We are really looking forward to all the activities that will be taking place in the upcoming half term.

PCTCs

Will be taking place on Wednesday 4 and Thursday 12 November 2026 between 3.30pm – 6.30pm.

At the consultation, the teacher will share examples of your child's learning and progress from the Club Room.

Ending the week with a bang!

Friday 6 November will be the PTA Fireworks evening.

Gates will open at 5.00pm and the display will start at 6:30pm.

Weekly Value

During the first half term, there were so many values that the pupils were able to learn about and then were consistently showing. As we enter the winter months there are many exciting things that will be happening both inside and outside of school. The value that we are focusing on will be linked with how we can best use this and why it is important at this time of year.

Zones of Regulation

We will be revisiting all of the different zones throughout this half term. This week, each pupil will be making their own personalised name tag, which they can use on our updated Zones of Regulation display board - developing both their independence and self-recognition of emotions.

Learning

For some of our KS1 pupils, they will be going on a fantastic trip to Epsom Library! This trip is one of their many thrive experiences and will be a great opportunity for the pupils to develop a further understanding of their local community.

For our KS2 pupils, their focus in English will cover poetry, and the beauty that can be displayed with words. Building on their skills, later in the half term they will write their own sensational sonnet. As well as this, there will be some key developments in maths, particularly looking at solving multi-step problems.

Have a lovely week.

Mrs Smith, Mr Adams and Mrs Thomas
