3 November 2026

Dear Parents/Carers,

Grow Cook Enjoy Lunchtime Club – Certain Children Only

Grow Cook Enjoy are very excited to welcome your child to the Grow Cook Enjoy lunchtime club at Stamford Green! We are pleased to inform you that your child has been invited to participate.

Over the coming months, your child will be working in a team to grow and cook delicious foods. Your child will be invited to attend two sessions each term to learn different cooking skills.

This term, the children will be making:

Cock-a-leekie soup – using some of our harvested leeks, onions garlic and carrots

Carrot cake – using our home-grown carrots.

There will be no cost related to this club as it is being funded by the Pupil Premium Strategy and all the food and equipment will be provided. The lunchtime club will run on Tuesdays from 3 November. There will also be opportunities for the children to continue to grow, and harvest produce throughout the year.

This should be a fantastic opportunity for children to learn new skills, work together, and we hope that your child will enjoy it too!

Best wishes,

Miss Burgess
Assistant Headteacher
