

Stamford Green Primary School

Accessibility Plan

2020 - 2023

Agreed at:

- Full Governing Body Meeting _____*
- Children and Learning Committee Meeting _____
- Resources Committee Meeting _____

10.12.20

Our Accessibility Plan is based on the outcomes of the Special Educational Needs and Disability (SEND) Policy and the Equality Policy being reviewed and also takes into account the Equality Act 2010.

Stamford Green Primary School is currently expanding from two to three forms of entry with an additional 'bulge' year (currently in Year 4) The school Governors are committed to ensuring that the school environment continues to provide for the needs of all our pupils, both now and in the future.

A - Improving Access to the Curriculum					
SSP Reference Point	What will be different (Success Criteria)	Action	Resources – approximate costs	Timeframe – Implemented by	MER – Rag Status
tbc	The South Gate access will be free from tools and machinery.	Premises workshop built to enclose tools and machines behind locked doors	£ 60,000	October 2020	
tbc	Current Clubhouse has steep steps and offers no access to wheelchair users.	Clubhouse being rebuilt	£ 100,000 (tender in progress)	April 2021	
	New clubhouse built with accessible access for all			September 2021	
	Accessible toilet within the new clubhouse			September 2021	
tbc	Increase visibility at the West Gate during winter months.	Light at Upper West Gate	£ tbc	September 2022	
	Better access control at West gate	Extend the Paxton system to the West Gate	£ tbc	September 2022	
tbc	Improve access to Nursery classrooms – current classrooms have steps in and out and toilets are only accessible for Cygnets via outdoor space.	Build 2 new classrooms for Nursery to occupy after bulge class has left school	£ 350,000 (tender in progress)	September 2023
