

Dear Parents/Carers,

It has been another very busy year at Extended Services and with one day to go until the summer holidays we have had final confirmation from Aspens about the menu as they will be taking over the food provision for both Sunrise and Sunset from September.

Family Service

From September, the children and staff will all be sitting together, at the same time, in either the hall or the studio to have their breakfast or dinner. In line with our school values, we want to encourage good manners and conversation at meal times. Breakfast will be served at 7.45am and activities will commence again at 8.00am. If you drop your children at Sunrise after 7.45am, they will miss breakfast so please make sure you arrive before 7.45am so that your child enjoys their delicious breakfast.

Dinner will be served at 4.45pm and activities will commence again at 5.15pm. Please note that if you collect your child earlier than 5.00pm, they will not have had their dinner.

The menus for breakfast and dinner can be found overleaf and in addition to the dinner menu, the children will still continue to receive a piece of fruit and a biscuit after school.

Pricing

The cost for Sunset and Sunrise has not increased in over ten years but with rising utility and staffing costs, along with an increased food offering for the children, the price for each session in September is as follows: Sunrise - £5.00 and Sunset - £15.50.

Places for September have now been allocated and we are looking forward to welcoming lots of new faces! All current sessions will continue to roll over to the next academic year unless notice is given. If you have any queries regarding sessions, please contact Ms Saunt. sauntb@stamford-green.surrey.sch.uk

Please note that there is a 6 week notice period for any changes and cancellations. Fees for next term will be added to Tucasi at the beginning of next term.

We would like to wish all of the Year 6 children the best of luck as they leave to go to secondary school; we will miss you!
