In English, the children will be making their own story books and then choosing from a selection of creative writing tasks where they will have to implement all the skills they have learnt this year.

In maths, the children will be using their investigation skills to explore a problem. Solving the problem will require them to use strategies such as spotting patterns and using trial and improve. We will also be having one final 3DA v 3L v 3S 'Battle of the Bands' on Times Tables Rock Stars. The app will continue to work for the children over the summer holidays if they would like to keep practising their times tables using it.

This Wednesday (17.7.19) is the children's end of year party. Thank you in advance for your contributions towards the party.

The "Year 3 end of year muffi day extravaganza" continues this week, thanks to children spending

On Wednesday 17 July, Year 4 have their class party. There is no need for children to bring a change of clothes. We would be grateful for a food contribution and your child should have had a sticker in their Learning Journal's last week so that we do not get too much of one item! Please note that you only need to supply enough food for one table (6 people) and not the whole class. Thank you in advance for your generosity, the children really enjoy these treats.

Both Year 4 classes have also earned a class treat and will have choosing time/a movie afternoon on Thursday.

Swimming Lessons at the Rainbow Leisure Centre – Autumn Term 2019

As per our letter dated 20 June, we are delighted to confirm that we have booked 10 sessions for Year 5 as soon as we start back in September. As it is too far to walk to and from the Rainbow Centre, in the available time, we have booked a coach for the ten sessions. The cost of the coach split evenly between the year group is £22.46 per child. Therefore, you are invited to make a voluntary contribution of £22.46 to cover the cost of the coach. Payment can be made online through Tucasi.

We wish you all a lovely summer and look forward to seeing everyone in Year 5.

Miss Jenkins, Miss Poole and Mrs Spooner

Year 5 Weekly Information w/b 15.7.19

Can you believe we're in the final week of Year 5? We have had a great year with the children – from swimming in the autumn term to Roman day; from the astrodome to Young Voices at the O2 – and are looking forward to seeing them continue to shine as they move into Year 6. In maths, we will be solving sudoku puzzles, which require logic and an understanding of number patterns.

In English, we will be reflecting on our time in Year 5 to create a 'How to survive Year 5' guide for the current Year 4s.

In speedy maths this week, we will be covering the following areas:

w.b: 15.7.19	Know pairs of numbers to 180. Add and subtract 2-digit and 3-digit numbers at speed. Add and subtract p from £&p
-------------------------	--

In DT this week, we will be creating a watering system for the eco garden. For this, we need empty plastics drinks bottles – preferably 2 litres. If you have any at home, please can you send them in for Wednesday.

On Tuesday morning, we will be playing board games. Please ensure all games are clearly named and do not bring any electronic games.

On Wednesday afternoon, we will be having our class party. The children have volunteered to bring in certain items to share with their friends. If you would prefer to send in something else, that's absolutely fine. As the children will have had their lunch, there is no need to provide a lot of food. Any small snacks, crisps, sweet treats or drinks will be gratefully received.

Residential trip to PGL Windmill Hill 15 June - 19 June 2020

Thank you to everybody who has settled the deposit and second instalment for this trip. If your child is attending the trip and you have not paid the second instalment of £60, please kindly do so, as the deadline has now passed. The third instalment will be due by **13 September**.
