Dear Parents/Carers,

PTA Christmas Tree Sale

The PTA are pleased to announce, that following the extremely positive feedback we received from parents over the last few years, we will once again be able to help make your festive plans run a little easier by supplying your Christmas tree this year, ready for collection at our Christmas Market on Sunday 1 December 2019.

This means not only do we take the stress out of this Christmas job but you will also be supporting your child's PTA school fundraising projects.

We can supply Super Grade Nordman trees at a variety of sizes from small 3 – 4ft up to 8 – 10ft for those impressive dining room displays. Your tree will be delivered to the school and ready for collection at the Christmas Market. The trees are sourced from a reputable supplier and the PTA receives all the profit from each tree sold. Don't forget to tell your friends and family that we can supply them too!

Why not come along to our Christmas Market on Sunday 1 December from 10.00am until 1.00pm and not only collect your tree but also enjoy the sounds of the school choir singing much loved Christmas Carols, savour a mulled wine and mince pie, enjoy a bacon or sausage sandwich and maybe pick up a few last minute presents at our various stalls.

If you wish to order a tree, please do this via the PTA Events website, not Tucasi. A yellow button on our school website homepage will link you to the PTA Events website. If you have not registered yet for PTA Events, please do so by downloading and following the instructions in the link below:
