### Skill of the week

Listening to and learning our new Christmas songs. If you would like to practice at home here is a link for you:

We can't wait to share them with you and more information will follow later on in December.

### Christmas Performance

Please can you send your child to Nursery wearing a Christmas jumper on **Thursday 10 December** and **Tuesday 15 December** as we are going to be filming our Christmas performance on those days.

### Forest School

We are very much looking forward to starting our Forest School sessions which will commence in the spring term. A sticker will go in your child's Learning Journal in the New Year explaining when the sessions will start. We will begin by getting the children used to the environment by taking them for short walks in our lovely grounds.

Currently children are practising putting on waterproofs and wellies and taking them off whilst we spend lots of time outside in our Nursery area. The mud kitchen and large muddy puddles are very popular at the moment!

Thank you,

Mrs Frost and Mrs Hughes
