

Stamford Green Primary School

29 September 2021

Dear Parents/Carers,

YN Astrodome Workshop – Wednesday 3 November 2021

As part of our 'To Infinity and Beyond' theme of learning, we have arranged for Astrodome, a mobile planetarium, to visit school on Wednesday 3 November 2021. The presentation takes the children on an imaginary space flight from Earth to the outer edges of our solar system. We will be looking for stars and planets and enjoying all things to do with space. All children flying in the Astrodome will also receive a certificate, recording their adventure and we will use this experience to encourage lots of talk about space, and also to inspire our role play at nursery.

You are invited to make a contribution of £1.69 to cover the cost to the school of your son/daughter taking part in the workshop described in the information set out above. We confirm that the contribution represents our estimate of the costs of providing this activity shared equally amongst all pupils. As the resources of the school are limited, the proposed workshop will not take place if there are insufficient contributions to cover the cost. If you would like to pay and are currently experiencing financial difficulties please come and discuss the event and payment with Mrs Druce as there is always a solution and absolute confidentiality is assured.

If you would like your child to take part in this workshop, you will need to log into Scopay (Tucasi) go to the trip section and pay £1.69 by Monday 18 October 2021. If you have any problems using the online payment system Scopay, please contact the school office.

Kind regards,

Mrs Frost and Mrs Hughes
