

Notes from the Parents' Forum Meeting

Monday 25 March 2019

In attendance: One parent, Mrs Druce and Mrs Wheatley

Uniform

Mrs Druce presented the updated uniform policy which had been adjusted to amalgamate the boys and girls sections. The main change being that grey socks would now be worn by boys and girls except for when summer dresses are worn, when white socks would be worn. Discussion took place surrounding the availability of grey socks for girls. The updated uniform policy will come into force from September. The parent thanked Mrs Druce, commenting that it now ensured that the uniform was more practical as well.

All parents will be made aware of the changes via a letter sent out in May.
