

YR End of Day Arrangements

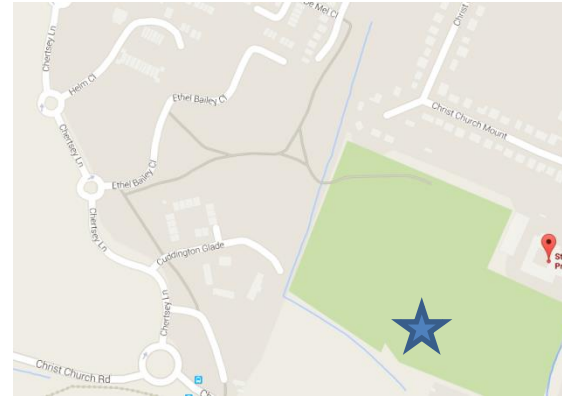

As you may be aware, Stamford Green Primary School has two gates to enter and exit:

East Gate

Park in surrounding roads and walk into school following the path to the right of the staff car park.

West Gate

Park in surrounding roads, follow footpaths to gate, buzz for access and walk down the slope.

We would find it helpful to know which gate your child will be getting picked up from, on which day and by whom. We appreciate that these things are subject to change and would kindly request that you complete a new slip when arrangements are permanently altered. Copies of the table can be found in the letter racks. Ad-hoc changes should be written in the morning message books or please call the office by 12.45pm.

Please fill in and return the table below to the Office today or, if that's not possible, we will be collecting it at your home visit in September. Thank you!
